There are Solutions !

Come to participate or listen to the
Third Annual **Beharriell Briefings**

Feel free to join in during interludes with John Charles Daly,
bringing popular timeless tunes to life with voice and guitar.

Sunday, November 16th
between 3:00 PM and 5:30 PM

at the historical **Laskay Hall** at 2920 King Road

The 2025 Beharriell Brief Challenge is for anyone of any age: *In less than three or so minutes, briefly explain how a solution (or solutions) would help solve one of the five problems below.*

- 1 *What can be done to promote understanding and peace in our homes, in our neighbourhoods, or in the world ?*
- 2 *How can we and our neighbours help to protect biodiversity?*
- 3 *What can be done to encourage inclusivity and respect of indigenous culture and wisdom in and around King Township?*
- 4 *How can we in the King area help reduce the burning of fossil fuels as an energy source?*
- 5 *How can people be encouraged to engage with others in their local community?.*

It is not a competition. Some briefs, with permission, may be published in the King Weekly Sentinel. Refreshments will be served. Those who wish to present a brief, contact:
thebeharriellbriefings@gmail.com or call Ann Raney
at 416-825-4275
